This chapter shall be known as "The Insurance Fraud Investigation Division Trust Fund Act".

23-100-102. Insurers' payment extensions - Penalties for non-compliance - Insurance Commissioner's waiver for impaired or insolvent insurers.

- (a) The Insurance Commissioner may grant any licensed insurer an extension for payment of the antifraud assessment for good cause shown, upon written application of the licensed insurer received at the State Insurance Department on or before each annual due date. Absent the commissioner's approval of such extension for good cause, licensed insurers failing timely to pay the antifraud assessment shall be subject to a penalty of one hundred dollars (\$100) per day for each day of delinquency, payable to the Insurance Fraud Investigation Division Trust Fund. The commissioner may pursue any appropriate legal remedies to collect the antifraud assessments and penalties due and unpaid from any insurer. Further, the commissioner may in his discretion order suspension of the delinquent insurer's Arkansas certificate of authority after notice and hearing until the payment of all such antifraud assessments and penalties is remitted to the fund. Absent grant of his waiver for good cause shown, the commissioner may revoke the Arkansas certificate of authority of any delinquent insurer consistently refusing and failing without good cause to remit payment of these antifraud assessments and penalties to the fund pursuant to this section.
- (b) The commissioner may in his discretion waive all or any part of the antifraud assessment due annually from a licensed insurer upon the suspension or revocation of the insurer's Arkansas certificate of authority, or upon issuance of a court order placing the company into conservation, rehabilitation, or liquidation in any state, or upon the commissioner's finding that the insurer is impaired or insolvent. Upon the reinstatement or activation of the insurer's certificate of authority in good standing, the commissioner's waiver automatically terminates and the insurer shall be liable for payment of the assessment on the next succeeding March 1, without retroactive

reimbursement for the amount of the antifraud assessments which would normally have accrued during the waiver period.

23-100-103. The Insurance Fraud Investigation Division Trust Fund - Creation.

- (a) There is hereby established on the books of the Treasurer of State, the Auditor of State, and the Chief Fiscal Officer of the State a fund to be known as the Insurance Fraud Investigation Division Trust Fund to be used to defray the expenses of the Insurance Fraud Investigation Division of the State Insurance Department in the discharge of its administrative and regulatory powers and duties as prescribed by law.
- (b) No money is to be appropriated from this fund for any purpose except for the personal services and operating expenses, maintenance and operations, and support of and improvements to the division, and at the direction of the Insurance Commissioner for the use, benefit, and support of the division.
- (c) The fund established pursuant to this section shall be administered, disbursed, and invested under the direction of the commissioner and the Treasurer of State.
- (d) All income derived through investment of the fund, including, but not limited to, interest and dividends, shall be credited as investment income to the fund. All income derived through grants, refunds, gifts, or any other sources, to the fund shall be credited as income to the fund and deposited therein.
- (e) Further, all moneys deposited to the aforementioned fund shall not be subject to any deduction, tax, levy, or any other type of assessment, except as may be provided by law.

23-100-104. Antifraud assessment.

- (2) Effective for the 1996-1997 fiscal year, all licensed insurers described in subdivision (a)(1) of this section shall pay a one-time antifraud assessment of four hundred dollars (\$400) to the fund. The commissioner may, by rule or regulation, reduce the antifraud assessment to the fund or adjust the antifraud assessment to a maximum of no more than one thousand dollars (\$1,000) per each fiscal year following the 1996-1997 fiscal year.
- (b) Approved but nonadmitted surplus line insurers and registered risk retention groups

are exempt from payment of the above antifraud assessment.
